

All Girls Unite

St Michael's had the honour of hosting the 2024 Junior All Girls Festival and we were able to boast our beautiful grounds and fantastic facilities! It was an extremely successful event and in total there were eleven participating schools from all over the country!

Junior All Girls

The first evening consisted of registration, team photos, manager meetings and then the managers left for a lovely dinner at Brew and Still and the students showcased their war-cry's and participated in a thrilling drum lesson by Drum Vibes Africa.

Junior All Girls

For the next three days the various sport teams gave it their all in their respective areas. It was a fantastic festival and the girls all showed excellent sportsmanship. The girls also participated in other fun activities such as swimming after their matches, Teambo and a fun band performance!

Brownies

At the end of term 1 the Brownie Pack came together for a fun-filled day camp to end off the term! The day consisted of numerous fun activities such as creating war-cry's, creative sandwich making, water activities and marshmallow roasting at sunset. Nine new Brownies were also enrolled into the Brownie pack at the end of the day and it was a lovely celebration.

Squash

Six of our St Michael's squash players participated in the St Stithian's festival in Johannesburg from 27-30 March. The festival celebrated their 40th year since the festival started and players and staff were spoiled with a formal breakfast to celebrate this occasion. They also enjoyed a day out to Monte Casino.

PEP Mini Netball

Tennis Tournament

Four of our St Michael's tennis players participated in a tennis tournament on Friday the 12th of April at the Tennis Stadium. These players were Njideka Okoye, Bonolo Mokhabane, Masego Rampana and Bogolo Mulutsi.

Panarottis Pizza Party

On Monday the 15th of April Panarottis treated our Grade 2 learners to some delicious pizza and they each received an adorable new lunch box! The girls were very excited and thoroughly enjoyed their spoil. Thank you Panarottis!

CTSD and KFS Nationals

On the 20th of April, Teagan Schoeman took part in the CTSD and KFS National Competition, held at Wits University. Teagan obtained 3 silver medals, for Weapon Forms, Evolution Fighting and a Group Form respectively. She was the youngest participant in the group form category and had to learn a black belt form, whilst currently holding a Green 3 ranking. She also gained 3 gold medals in Forms, Point Sparring and Continuous Sparring respectively, making her the South African Champion in those categories.

Teagan's club placed 5th overall (out of 10 clubs) with only 5 students taking part this time around, and Teagan placed 5th overall for the competition, out of a total of 150 participants. This included all age group and ranks, including black belts.
